This report is intended for engineers, architects, and skilled building operators who are responsible for analyzing, devising, and implementing comprehensive energy conservation programs. It includes energy conservation measures which can result in further energy savings of 15 to 20% with an investment cost that can be recovered within 10 years through lower operating expenses. Designed for both the business and leisure traveler, each program is equipped with planner software that creates customized travel plans, including an itinerary and checklist; a clip and carry feature that allows users to download essential language and travel information. There is also a direct link to Prodigy on-line services for the latest weather, news, exchange rate information and favored-nation status changes. Each program includes a User's Manual and a CD-ROM disc that features instruction for basic language learning with up to 32,500 words and 5,800 recorded expressions for as many as 17 languages, travel phrases, foreign business terms, leisure, etiquette, culture and sightseeing information for as many as 24 countries and nine

cities, there are also more than 50 maps that allow users to locate key attractions and points of interest. Detailed cultural information lets users learn Foreign business culture including body language, negotiating tips, gestures, and social behaviors. Add classic accessories to your toy train layout. Lionel's operating accessories from the 1940s and '50s remain popular with toy train enthusiasts. This book provides a variety of ways to incorporate them - both originals and modern reproductions - into toy train layouts. The book features track plans that incorporate the accessories, repair information, and in-depth profiles of the most popular accessories. Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle. Volumes for 1960-74 include an additional October issue called Directory (varies slightly).
