[American Wife](#) Aug 09 2021 In the year 2000, in the closest election in American history, Alice Blackwell's husband becomes president of the United States. Their time in the White House proves to be heady, tumultuous and controversial.

A Life of Being, Having, and Doing Enough Apr 17 2022

From the moment we are born, we are seekers. Our culture obsessively promotes the pursuit of money, success and self-improvement. At the end of each activity-jammed day, though, we collapse into bed discouraged by everything we have not checked off on our to-do lists, in despair that whatever we have accomplished is never enough. Worse still, when our dreams become derailed by the

inherent tragedies of life—job loss, financial peril, sickness, or the death of a loved one—we feel devastated by the pain and injustice of it all. Nationally renowned author, therapist, and minister Wayne Muller offers healing for the perpetually stressed in *A Life of Being, Having, and Doing Enough*. By learning compassion and mercy for ourselves and by recognizing what is most profoundly true about who we are and what we need, we can gain the self-acceptance so that whatever we choose to do, in this moment, it is wholly enough. Muller mixes the writings of great spiritual and political leaders with inspirational anecdotes from his own life, inviting us to derive more satisfaction from less and pull

gratitude out of the ashes of grief. The answer to what he describes as "authentic happiness" lies not in seeing the glass as half full instead of half empty. In reality, he writes, the glass is always half full and half empty. The world is neither broken nor whole, but eternally engaged in rhythms between joy and sorrow. With Muller's guidance, we may find ourselves on the most courageous spiritual pilgrimage of our lives.

The Life of the Mind Sep 29 2020 ONE OF THE BEST BOOKS OF THE YEAR: Time, NPR, The Atlantic, Electric Lit, Thrillist, LitHub, Kirkus Reviews • A witty, intelligent novel of an American woman on the edge, by a brilliant new voice in fiction—"the glorious love child of Ottessa Moshfegh and Sally Rooney" (Publishers Weekly, starred review) "[A] jewel of a debut . . . abundantly satisfying."—Jia Tolentino, *The New Yorker* As an adjunct professor of English in New York City with little hope of finding a permanent position,

Dorothy feels "like a janitor in the temple who continued to sweep because she had nowhere else to be but who had lost her belief in the essential sanctity of the enterprise." No one but her boyfriend knows that she's just had a miscarriage—not her mother, her best friend, or her therapists (Dorothy has two of them). She wasn't even sure she wanted to be a mother. So why does Dorothy feel like a failure? *The Life of the Mind* is a book about endings—of youth, of ambition, of possibility, but also of the meaning that an inquiring mind can find in the mess of daily experience. Mordant and remorselessly wise, this jewel of a debut cuts incisively into life as we live it, and how we think of it.

Dante's New Life of the Book Mar 16 2022 *Dante's New Life of the Book* examines Dante's Vita nuova through its transformations in manuscripts, printed books, translations, and adaptations. Eisner investigates how these different material

manifestations participate in the work, drawing attention to its distinctive elements.

Five Children and It Mar 04 2021 This is a children's novel. The story opens as the five children are travelling from London with their mother to a house somewhere in the country. The children are Robert, Anthea, Jane, Cyril and the baby. 'It' is yet to appear.

The Life of Stuff Sep 22 2022 Shortlisted for the James Tait Black biography prize 2019 'A moving memoir.' Sunday Times 'Gripped me from the first page.' Clover Stroud, author of My Wild and Sleepless Nights 'A gripping read... a riveting piece of writing.' Radio 4

_____ What do our possessions say about us? Why do we project such meaning onto them? What becomes of the things we leave behind? Only after her mother's death does Susannah Walker discover how much of a hoarder she had become. Over the following months, Susannah has to sort through a dilapidated house filled to the brim with rubbish and treasures - filling bag after

bag with possessions. But what she's really in search of is a woman she'd never really known or understood in life. This is her last chance to piece together her mother's story and make sense of their troubled relationship. What emerges from the mess of scattered papers, discarded photographs and an extraordinary amount of stuff is the history of a sad and fractured family, haunted by dead children, divorce and alcohol. The Life of Stuff is a deeply personal exploration of mourning and the shoring up of possessions against the losses and griefs of life, which also raises universal questions about what makes us the people we are. _____

'Compelling and moving.' Ruth Hogan 'An excellent memoir.' Cathy Rentzenbrink

The Life of Our Lord Dec 25 2022 Charles Dickens's other Christmas classic, with a new introduction by Dickens's great-great-grandson, Gerald Charles Dickens. Charles Dickens wrote The Life of Our Lord during the years

1846-1849, just about the time he was completing David Copperfield. In this charming, simple retelling of the life of Jesus Christ, adapted from the Gospel of St. Luke, Dickens hoped to teach his young children about religion and faith. Since he wrote it exclusively for his children, Dickens refused to allow publication. For eighty-five years the manuscript was guarded as a precious family secret, and it was handed down from one relative to the next. When Dickens died in 1870, it was left to his sister-in-law, Georgina Hogarth. From there it fell to Dickens's son, Sir Henry Fielding Dickens, with the admonition that it should not be published while any child of Dickens lived. Just before the 1933 holidays, Sir Henry, then the only living child of Dickens, died, leaving his father's manuscript to his wife and children. He also bequeathed to them the right to make the decision to publish The Life of Our Lord. By majority vote, Sir Henry's widow and children decided to

publish the book in London. In 1934, Simon & Schuster published the first American edition, which became one of the year's biggest bestsellers. **A Book For Life** Apr 29 2023 'The A List Shaman' - The Times Magazine 'A must-read packed full of aha moments.' - Naomie Harris OBE, Actor 'It's interesting, fun and it's relevant to all of us ... Perhaps the key thing for me is the feeling that Jo is talking from her heart rather than writing from her brain ... It's important.' - Sarah Stacey, Victoria Health Jo Bowlby is a world-renowned Shaman, coach and mentor. This very special book is filled with insights and practices which for centuries were only known by spiritual teachers and their devotees, but which Jo Bowlby has used to underpin her powerful work as a Shaman, coach and mentor. With a focus on resilience and finding balance, Jo turns ancient teachings into life-changing practices that will provide you with a skillset designed to help you navigate life's ups and

downs. Whether you seek stillness, want to reclaim your freedom from a mental struggle, or simply inject some wonder into your world, this inspirational book will help guide you on the way. 'Really enjoying this. Not your usual self-help book. It's succinct, very well written and not selling nonsense. Highly recommended.' - Levison Wood

Life, the Universe and Everything Apr 24 2020 In *Life, the Universe and Everything*, the third title in Douglas Adams' blockbusting sci-fi comedy series, *The Hitchhiker's Guide to the Galaxy*, Arthur Dent finds himself enlisted to prevent a galactic war. This edition includes exclusive bonus material from the Douglas Adams archives, and an introduction by Simon Brett, producer of the original radio broadcast. Following a number of stunning catastrophes, which have involved him being alternately blown up and insulted in ever stranger regions of the Galaxy, Arthur Dent is surprised to find

himself living in a cave on prehistoric Earth. However, just as he thinks that things cannot get possibly worse, they suddenly do. An eddy in the space-time continuum lands him, Ford Prefect, and their flying sofa in the middle of the cricket ground at Lord's, just two days before the world is due to be destroyed by the Vogons. Escaping the end of the world for a second time, Arthur, Ford, and their old friend Slartibartfast embark (reluctantly) on a mission to save the whole galaxy from fanatical robots. Not bad for a man in his dressing gown . . . Follow Arthur Dent's galactic (mis)adventures in the rest of the trilogy with five parts: *So Long*, and *Thanks for All the Fish*, and *Mostly Harmless*.

[A Life of My Own](#) Dec 13 2021 A Sunday Times Top 10 Bestseller As one of the best biographers of her generation, Claire Tomalin has written about great novelists and poets to huge success: now, she turns to look at her own life. This enthralling memoir follows her through triumph and

tragedy in about equal measure, from the disastrous marriage of her parents and the often difficult wartime childhood that followed, to her own marriage to the brilliant young journalist Nicholas Tomalin. When he was killed on assignment as a war correspondent she was left to bring up their four children - and at the same time make her own career. She writes of the intense joys of a fascinating progression as she became one of the most successful literary editors in London before discovering her true vocation as a biographer, alongside overwhelming grief at the loss of a child. Writing with the élan and insight which characterize her biographies, Claire Tomalin sets her own life in a wider cultural and political context, vividly and frankly portraying the social pressures on a woman in the Fifties and Sixties, and showing 'how it was for a European girl growing up in mid-twentieth-century England ... carried along by conflicting desires to have children and a worthwhile

working life.'

One Day in the Life of Ivan

Denisovich Jun 07 2021 ONE

DAY IN THE LIFE OF IVAN

DENISOVICH is a novel written by Aleksandr Solzhenitsyn, first published in November 1962 in the Soviet literary magazine *Novy Mir* (New World). The story is set in a Soviet labor camp in the 1950s, and describes a single day of an ordinary prisoner, Ivan Denisovich Shukhov. Its publication was an extraordinary event in Soviet literary history—never before had an account of Stalinist repression been openly distributed. The editor of *Novy Mir*, Aleksandr Tvardovsky, wrote a short introduction for the issue, titled “Instead of a Foreword,” to prepare the journal's readers for what they were about to experience.

The Life of Lee Oct 11 2021

Lee Evans is one of the best-loved comedians in the country; a Hollywood star able to sell out arenas in the blink of eye. But he was not always such a roaring success. The *Life of Lee* is an utterly

hilarious and very moving autobiography charting his ups and downs on the way to the top. Lee takes us on a darkly humorous journey through his childhood spent running wild on a Bristol housing estate, his unconventional school days and through a grim teenage period of numerous dead-end jobs. The book also reveals how as a boy Lee got his first taste of showbiz, accompanying his entertainer father around the rowdy, unforgiving working-men's club and theatre circuit. Desperately struggling to be accepted, this quiet young loner always saw himself as an outsider. But he finally met the love of his life and accidentally discovered the one place where he felt at home: the stage.

The Death and Life of Great American Cities Nov 24 2022

In this classic text, Jane Jacobs set out to produce an attack on current city planning and rebuilding and to introduce new principles by which these should be governed. The result is one of the most stimulating books on cities ever written.

Throughout the post-war

period, planners temperamentally unsympathetic to cities have been let loose on our urban environment. Inspired by the ideals of the Garden City or Le Corbusier's Radiant City, they have dreamt up ambitious projects based on self-contained neighbourhoods, super-blocks, rigid 'scientific' plans and endless acres of grass. Yet they seldom stop to look at what actually works on the ground. The real vitality of cities, argues Jacobs, lies in their diversity, architectural variety, teeming street life and human scale. It is only when we appreciate such fundamental realities that we can hope to create cities that are safe, interesting and economically viable, as well as places that people want to live in. 'Perhaps the most influential single work in the history of town planning... Jacobs has a powerful sense of narrative, a lively wit, a talent for surprise and the ability to touch the emotions as well as the mind' New York Times Book Review

Blockhead Jul 20 2022 A biography of Leonardo Fibonacci, the 12th century mathematician who discovered the numerical sequence named for him.

The Life of Samuel Johnson, LL.D. May 06 2021

The Life of a Little

Cardboard Box Mar 24 2020

Have you ever wondered what happens to a cardboard box when you no longer need it? This lovely bedtime story helps children understand how and why we should recycle our cardboard.

The Path of Mercy Jan 02 2021 Mary C. Sullivan, R.S.M., is Professor Emerita of Language and Literature, and Dean Emerita of the College of Liberal Arts, at the Rochester Institute of Technology. She is the author of numerous works, including *The Correspondence of Catherine McAuley, 1818-1841* (CUA Press) and *Catherine McAuley and the Tradition of Mercy*.

The End of Your Life Book Club Aug 21 2022 'A wonderful book about wonderful books and mothers and sons and the

enduring braid between them.' - Mitch Albom, author of *Tuesdays With Morrie* 'a true meditation on what books can do.' - Edmund de Waal, author of *The Hare with Amber Eyes* Mary Anne Schwalbe is waiting for her chemotherapy treatments when Will casually asks her what she's reading. The conversation they have grows into tradition: soon they are reading the same books so they can have something to talk about in the hospital waiting room. Their choices range from classic (*Howards End*) to popular (*The Girl with the Dragon Tattoo*), from fantastic (*The Hobbit*) to spiritual (*Jon Kabat-Zinn*), with many more in between. We hear their passion for reading and their love for each other in their intimate and searching discussions. *The End of Your Life Book Club* is a profoundly moving testament to the unconditional love between a child and parent, and the power of reading in our lives. *The Life of Lines* Jun 19 2022 To live, every being must put out a line, and in life these

lines tangle with one another. This book is a study of the life of lines. Following on from Tim Ingold's groundbreaking work *Lines: A Brief History*, it offers a wholly original series of meditations on life, ground, weather, walking, imagination and what it means to be human. In the first part, Ingold argues that a world of life is woven from knots, and not built from blocks as commonly thought. He shows how the principle of knotting underwrites both the way things join with one another, in walls, buildings and bodies, and the composition of the ground and the knowledge we find there. In the second part, Ingold argues that to study living lines, we must also study the weather. To complement a linealogy that asks what is common to walking, weaving, observing, singing, storytelling and writing, he develops a meteorology that seeks the common denominator of breath, time, mood, sound, memory, colour and the sky. This denominator is the atmosphere. In the third part,

Ingold carries the line into the domain of human life. He shows that for life to continue, the things we do must be framed within the lives we undergo. In continually answering to one another, these lives enact a principle of correspondence that is fundamentally social. This compelling volume brings our thinking about the material world refreshingly back to life. While anchored in anthropology, the book ranges widely over an interdisciplinary terrain that includes philosophy, geography, sociology, art and architecture.

Divided Soul: The Life Of Marvin Gaye Oct 31 2020

David Ritz presents his uniquely candid and intimate account of the tumultuous life of the Prince of Soul music, Marvin Gaye. Author Ritz has assembled years of conversations and interviews from his life as a close friend and lyricist to the gifted Soul sensation, and tells the Marvin Gaye story with fly-on-the-wall accuracy and detail. From his early years as

an abused child in the slums of Washington DC, through his rise to the very peaks of the Motown phenomenon, his fall from grace and subsequent comeback, to his untimely death at the hands of his father, Marvin's story is the stuff of legends. The cast of characters includes the Jacksons, Smokey Robinson, Diana Ross and countless other icons of the world of soul music. The definitive biography of an enormously gifted and sensitive musician.

A Life of One's Own Feb 15 2022 How often do we ask ourselves, 'What will make me happy? What do I really want from life?' In *A Life of One's Own* Marion Milner explores these questions and embarks on a seven year personal journey to discover what it is that makes her happy. On its first publication, W. H. Auden found the book 'as exciting as a detective story' and, as Milner searches out clues, the reader quickly becomes involved in the chase. Using her own personal diaries, kept over many years, she analyses

moments of everyday life and discovers ways of being, of looking, of moving, that bring surprising joy - ways which can be embraced by anyone. With a new introduction by Rachel Bowlby this classic remains a great adventure in thinking and living and will be essential reading for all those interested in reflecting on the nature of their own happiness - whether readers from a literary, an artistic, a historical, an educational or a psychoanalytic/psychotherapeutic background.

Karl Lagerfeld Dec 21 2019 The definitive biography of Karl Lagerfeld—the last iconic fashion designer—now in paperback! “It starts with me and it ends with me.” —Karl Lagerfeld Karl Lagerfeld stylized himself into a living logo and a myth of the fashion world. In *Karl Lagerfeld: A Life in Fashion*, journalist Alfons Kaiser, who knew Lagerfeld personally for many years, introduces readers to the public and private life of the charismatic fashion designer. Kaiser explores the many eras

of Lagerfeld's life: the youthful outsider in the north German flatlands; the urbane genius in Paris; the tireless draftsman; the enthusiastic photographer; the passionate book collector; and the disciplined Prussian workaholic. What is behind this larger-than-life figure who, despite a massively public persona, kept his own life story a secret? Drawing from many previously untapped sources, this biography investigates the man behind the persona: the precocious boy who preferred to draw in the attic rather than play with his peers; the son who quarreled with his parents but never got away from them; Yves Saint Laurent's competitor, whom he outshone in the end; the brother, uncle, and friend—and finally, the partner of Jacques de Bascher, the great love of his life.

The Life of Saint Symeon

the New Theologian Sep 10 2021 The Byzantine mystic, writer, and monastic leader Symeon the New Theologian is considered a saint by the Orthodox Church. The Life was written more than 30 years

after Symeon's death by his disciple and apologist Niketas Stethatos. This translation, based on an authoritative Greek edition, makes it accessible to English readers for the first time.

Life and Fate Jul 08 2021

Based around the pivotal WWII battle of Stalingrad (1942-3), where the German advance into Russia was eventually halted by the Red Army, and around an extended family, the Shaposhnikovs, and their many friends and acquaintances, *Life and Fate* recounts the experience of characters caught up in an immense struggle between opposing armies and ideologies. Nazism and Communism are appallingly similar, 'two poles of one magnet', as a German camp commander tells a shocked old Bolshevik prisoner. At the height of the battle Russian soldiers and citizens alike are at last able to speak out as they choose, and without reprisal - an unexpected and short-lived moment of freedom. Grossman himself was on the front line as a war

correspondent at Stalingrad - hence his gripping battle scenes, though these are more than matched by the drama of the individual conscience struggling against massive pressure to submit to the State. He knew all about this from experience too. His central character, Viktor Shtrum, eventually succumbs, but each delay and act of resistance is a moral victory. Though he writes unsparingly of war, terror and totalitarianism, Grossman also tells of the acts of 'senseless kindness' that redeem humanity, and his message remains one of hope. He dedicates his book, the labour of ten years, and which he did not live to see published, to his mother, who, like Viktor Shtrum's, was killed in the holocaust at Berdichev in Ukraine in September 1941.

The Life of Jesus Mar 28 2023 A collection of paintings depicting the life of Christ structured around the prayers of the rosary.

[A Day in the Life of a Poo, a Gnu, and You](#) Jan 22 2020 Packed with comics, diagrams,

and "secret diaries," this book is a wondrous, encyclopedic glance at a dizzying host of different things—from hearts to farts to coconuts—and makes a hilarious and informative guide for curious young readers. Join the hilarious exploration of "a day in the life" of nearly 100 things on Earth. Find out what exactly your tongue does all day long, how a Japanese knotweed destroys everything in its path, and why no two snowflakes are ever the same. From the gross and smelly to the beautiful and fascinating, this book is a treasure trove of entertaining information.

A Breviate of the Life of Margaret, the daughter of Francis Charlton ... and wife of Richard Baxter, etc May 26 2020

Willing Jun 26 2020 Includes chapters on Plato, Socrates, Thomas Aquinas, and Nietzsche.

The Life Book Jan 26 2023 A one-stop-shop and life-long reference for all your self-help needs. From fitness to self esteem, from confidence to creativity, The Life Book is the

only self-help book you'll ever need to buy. Full colour, highly illustrated and beautifully executed, the book is very visually enticing. A unique proposition and probably the most mass-market self-help book ever published. A broad appeal that spans serious, serial personal development buyers, those brand new to the genre and those with a just passing interest. A practical, usable, easy to access guide with real value. Or a great coffee-table book you can dip in and out of. The ultimate life skills book which is ideal for front-list led displays and personal development sections with limited space. A world-class, highly-regarded author who is an expert in her field. Great perceived value: the high-concept finish, visually-enticing internal design and extensive content will make this book a great value purchase.

[The Life of the Drama](#) Apr 05 2021 (Applause Books). "Eric Bentley's radical new look at the grammar of theatre...is a work of exceptional virtue...

The book justifies its title by being precisely about the ways in which life manifests itself in the theatre...This is a book to be read again and again."

Frank Kermode, *The New York Review of Books*

The Social Life of Books May 18 2022 "A lively survey...her research and insights make us conscious of how we, today, use books."—John Sutherland, *The New York Times Book Review* Two centuries before the advent of radio, television, and motion pictures, books were a cherished form of popular entertainment and an integral component of domestic social life. In this fascinating and vivid history, Abigail Williams explores the ways in which shared reading shaped the lives and literary culture of the eighteenth century, offering new perspectives on how books have been used by their readers, and the part they have played in middle-class homes and families. Drawing on marginalia, letters and diaries, library catalogues, elocution manuals, subscription lists, and more, Williams offers

fresh and fascinating insights into reading, performance, and the history of middle-class home life. "Williams's charming pageant of anecdotes...conjures a world strikingly different from our own but surprisingly similar in many ways, a time when reading was on the rise and whole worlds sprang up around it."—The Washington Post

The Secret Life of Books Feb 27 2023 We love books. We take them to bed with us. They weigh down our suitcases on holiday. We display them on our bookshelves, give them as gifts, write our names in them. We take them for granted. And all the time, our books are leading a double life. *The Secret Life of Books* is about everything that isn't just the words. It's about how books transform us as individuals, the stories they tell us about ourselves. It's about how books - and readers - have evolved over time. And it's about why, even with the arrival of other media, books still have the power to change our lives. In this stylish and thought-

provoking meditation, Tom Mole looks at everything from binding innovations to binding errors, to books defaced by lovers, to those imprisoning professors in their offices, to books in art, to burned books, to the books that create nations, to those we'll leave behind. A striking text in a stunning package, it will change how you think about books.

Life of Nelson Jan 14 2022

That Woman Dec 01 2020

This will be the first serious yet sympathetic book by a female biographer to explain the story of how an American divorcee became a hate figure for allegedly ensnaring a British King from his throne. It focuses on the core conflict of her life in the 1930s, with particular reference to her impoverished American childhood as a motivation for her ambition.

[A Life in Books](#) Nov 12 2021 "A

Life In Books is an illuminated novel containing 101 books within it, all written by Lehrer's protagonist, author Bleu Mobley, who finds himself in prison looking back on his

life and career. Mobley's autobiography/apologia is paired with a review of all 101 of his books. Each book is represented by its first-edition cover design and catalogue copy, and more than a third of his books are excerpted. The resulting retrospective contrasts the published writings (which read like short stories) with the author's confessional memoir, forming a most unusual portrait of a well-intentioned, obsessively inventive (but ethically challenged) visionary."-- Publisher description.

The School of Life Aug 29 2020
THE SUNDAY TIMES

BESTSELLER Take some time to reflect and refocus this winter, with the essential guide on how to live wisely and well, no matter what challenges the world throws at you - from Alain de Botton, the bestselling author of *The Consolations of Philosophy*, *The Art of Travel* and *The Course of Love* This is a book about everything you were never taught at school. It's about how to understand your emotions, find and sustain

love, succeed in your career, fail well and overcome shame and guilt. It's also about letting go of the myth of a perfect life in order to achieve genuine emotional maturity. Written in a hugely accessible, warm and humane style, *The School of Life* is the ultimate guide to the emotionally fulfilled lives we all long for - and deserve. This book brings together ten years of essential and transformative research on emotional intelligence, with practical topics including: - how to understand yourself - how to master the dilemmas of relationships - how to become more effective at work - how to endure failure - how to grow more serene and resilient
Praise for Alain de Botton:
'What he has managed to do is remarkable: to help us think better so that we may live better lives' Irish Times 'A serious and optimistic set of practical ideas that could improve and alter the way we live' Jeanette Winterson, The Times 'Alain de Botton likes to take big, complex subjects and write about them with

thoughtful and deceptive innocence' Observer
[A Life of Picasso I: The Prodigy](#)
Feb 03 2021 From the foremost Picasso scholar, the first volume of his Life of Picasso draws on Richardson's close friendship with Picasso, his own diaries, the collaboration of Picasso's widow Jacqueline, and unprecedented access to Picasso's studio and papers to arrive at a profound understanding of the artist and his work. Combining meticulous scholarship with irresistible narrative appeal, this definitive biography of one of the greatest artists of the twentieth century details the years 1881-1906, from Picasso's beginnings in Spain to age twenty-five in Paris. With more than 800 extraordinary black-and-white illustrations.

Last Week Tonight with John Oliver Presents a Day in the Life of Marlon Bundo

Feb 21 2020 100% of Last Week Tonight's proceeds will be donated to The Trevor Project and AIDS United.

HBO's Emmy-winning Last Week Tonight with John Oliver presents a children's picture book about a Very Special boy bunny who falls in love with another boy bunny. Meet Marlon Bundo, a lonely bunny who lives with his Grampa, Mike Pence - the Vice President of the United States. But on this Very Special Day, Marlon's life is about to change forever... With its message of tolerance and advocacy, this charming children's book explores issues of same sex marriage and democracy. Sweet, funny, and beautifully illustrated, this book is dedicated to every bunny who has ever felt different.

The Life of Dad Oct 23 2022
THE STORY OF FATHERHOOD AND WHAT IT MEANS TO BE A FATHER TODAY, BASED ON A DECADE-LONG STUDY OF NEW AND EXPECTANT FATHERS. Becoming a father is one of most common but also one of the most profoundly life-altering experiences a man can have. It is up there with puberty, falling in love and experiencing your first loss.

Fifty years ago a father's role was assumed to be clear: he went to work; he provided the pay cheque; and he acted as a disciplinarian when he got home. But today a father's role is much more fluid and complex. Dr Anna Machin has spent the past decade working with new and expectant fathers, studying the experiences of fathers and the questions fathers have: 'Will fatherhood change me?', 'How do other men fulfil the role?', 'How can I help my child grow into a healthy, happy adult?'. In *The Life of Dad*, Dr Machin draws on her research and the latest findings in genetics, neuroscience and psychology to tell the story of fatherhood. She will show the extraordinary physiological changes a man undergoes when he becomes a father, investigate how a man's genes can influence what sort of father he will be, and will show how a dad makes a unique contribution to his child's life, helping to foster independence of mind and spirit. Throughout the book, readers will

encounter the voices of real dads, expectant and established, as well as fascinating insights into fatherhood from across the globe. *The Life of Dad* throws out the old stereotypes of fatherhood in an entertaining and informative journey through the role of dad - helping you decide what sort of father you want to be. 'A tour-de-force exploration of the forgotten half of the parenthood business. Essential reading for every expectant dad ... and mum.' - Robin Dunbar, professor of evolutionary psychology, University of Oxford

Evita Jul 28 2020 Eva Peron remains Argentina's best-known and most iconic personality, far outlasting her own husband, President Juan Domingo Peron, himself a remarkable and charismatic political leader without whom she, as an uneducated woman in an elitist and male-dominated society, could not have existed as a political figure. In this book, Jill Hedges tells the story of a remarkable

woman whose glamour, charisma, political influence and controversial nature continue to generate huge amounts interest 60 years after her death. From her poverty-stricken upbringing as an illegitimate child in rural Argentina, Peron made her way to the highest echelons of Argentinean society, via a brief acting career and her relationship with Juan. After their political breakthrough, her charitable work and magnetic personality earned her wide public acclaim and there was national mourning following her death from cancer at the age of just 33. Based on new sources and first-hand interviews, the book will seek to explore the personality and experiences of 'Evita'. As the first substantive biography of Eva Peron in English, this book will be essential reading for anyone interested in modern Argentinean history and the cult of 'Evita'."
