Most churches are not as effective as they could be in their marketing ministry because printed communications are not seen as vital and essential tools in church growth. Often, church publications primarily consist of getting the bulletin and newsletter completed, plus whatever flyers people need for youth group meetings or the church potluck. This book gives a simple how-to explanation of how to implement a church marketing plan. Using church growth paradigms combined with proven marketing strategies and specific publication techniques, this book shows pastors, church leaders, and administration staff how to produce publications that will grow their churches and change the lives of people in congregations. This book assists pastors and other church leaders intentionally move people from one stage of church growth to the next. Solving the Immigrant Church Crisis: The Biblical Solution of Parallel Ministry (Acts 6:1-7) addresses the crisis of the immigrant church in which complex cultural and linguistic factors create a reticence on the part of immigrants to transfer financial and decision-making authority to succeeding generations, and this results in a culturally irrelevant ministry to those

generations, an exodus of believers from the church, a spiritually immature remnant, and an inability to reach the lost. The thesis of this book is that parallel ministry, based on Acts 6:1-7, is the biblical solution to the crisis in the immigrant church. While there are at least two main aspects of this crisis, a spiritual-relational and an ecclesiastical aspect, this book focuses on the ecclesiastical aspect of defining the biblical structure of church government. Specifically, this book is for immigrant churches primarily in the United States and offers them a biblical and practical solution to the problem plaguing them for over two centuries of how to minister effectively to the succeeding generations.
